architecture and interior design trends.*

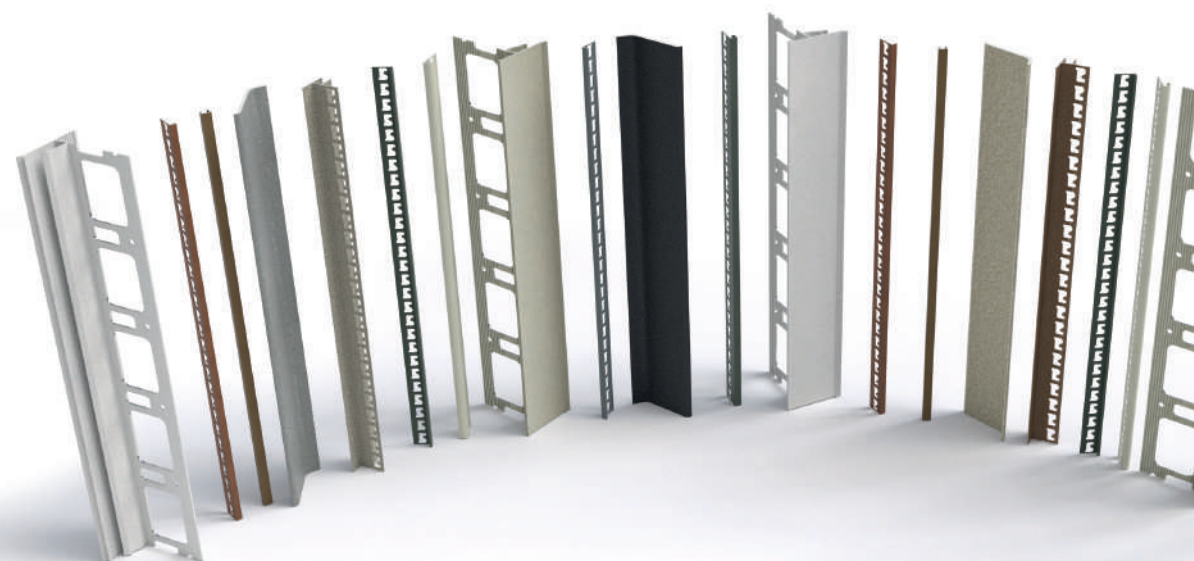

PROFILES & SYSTEMS

L'IMPORTANZA DI ESSERE... COLORATO

Tutte le sfumature del design contemporaneo per spazi in continua evoluzione

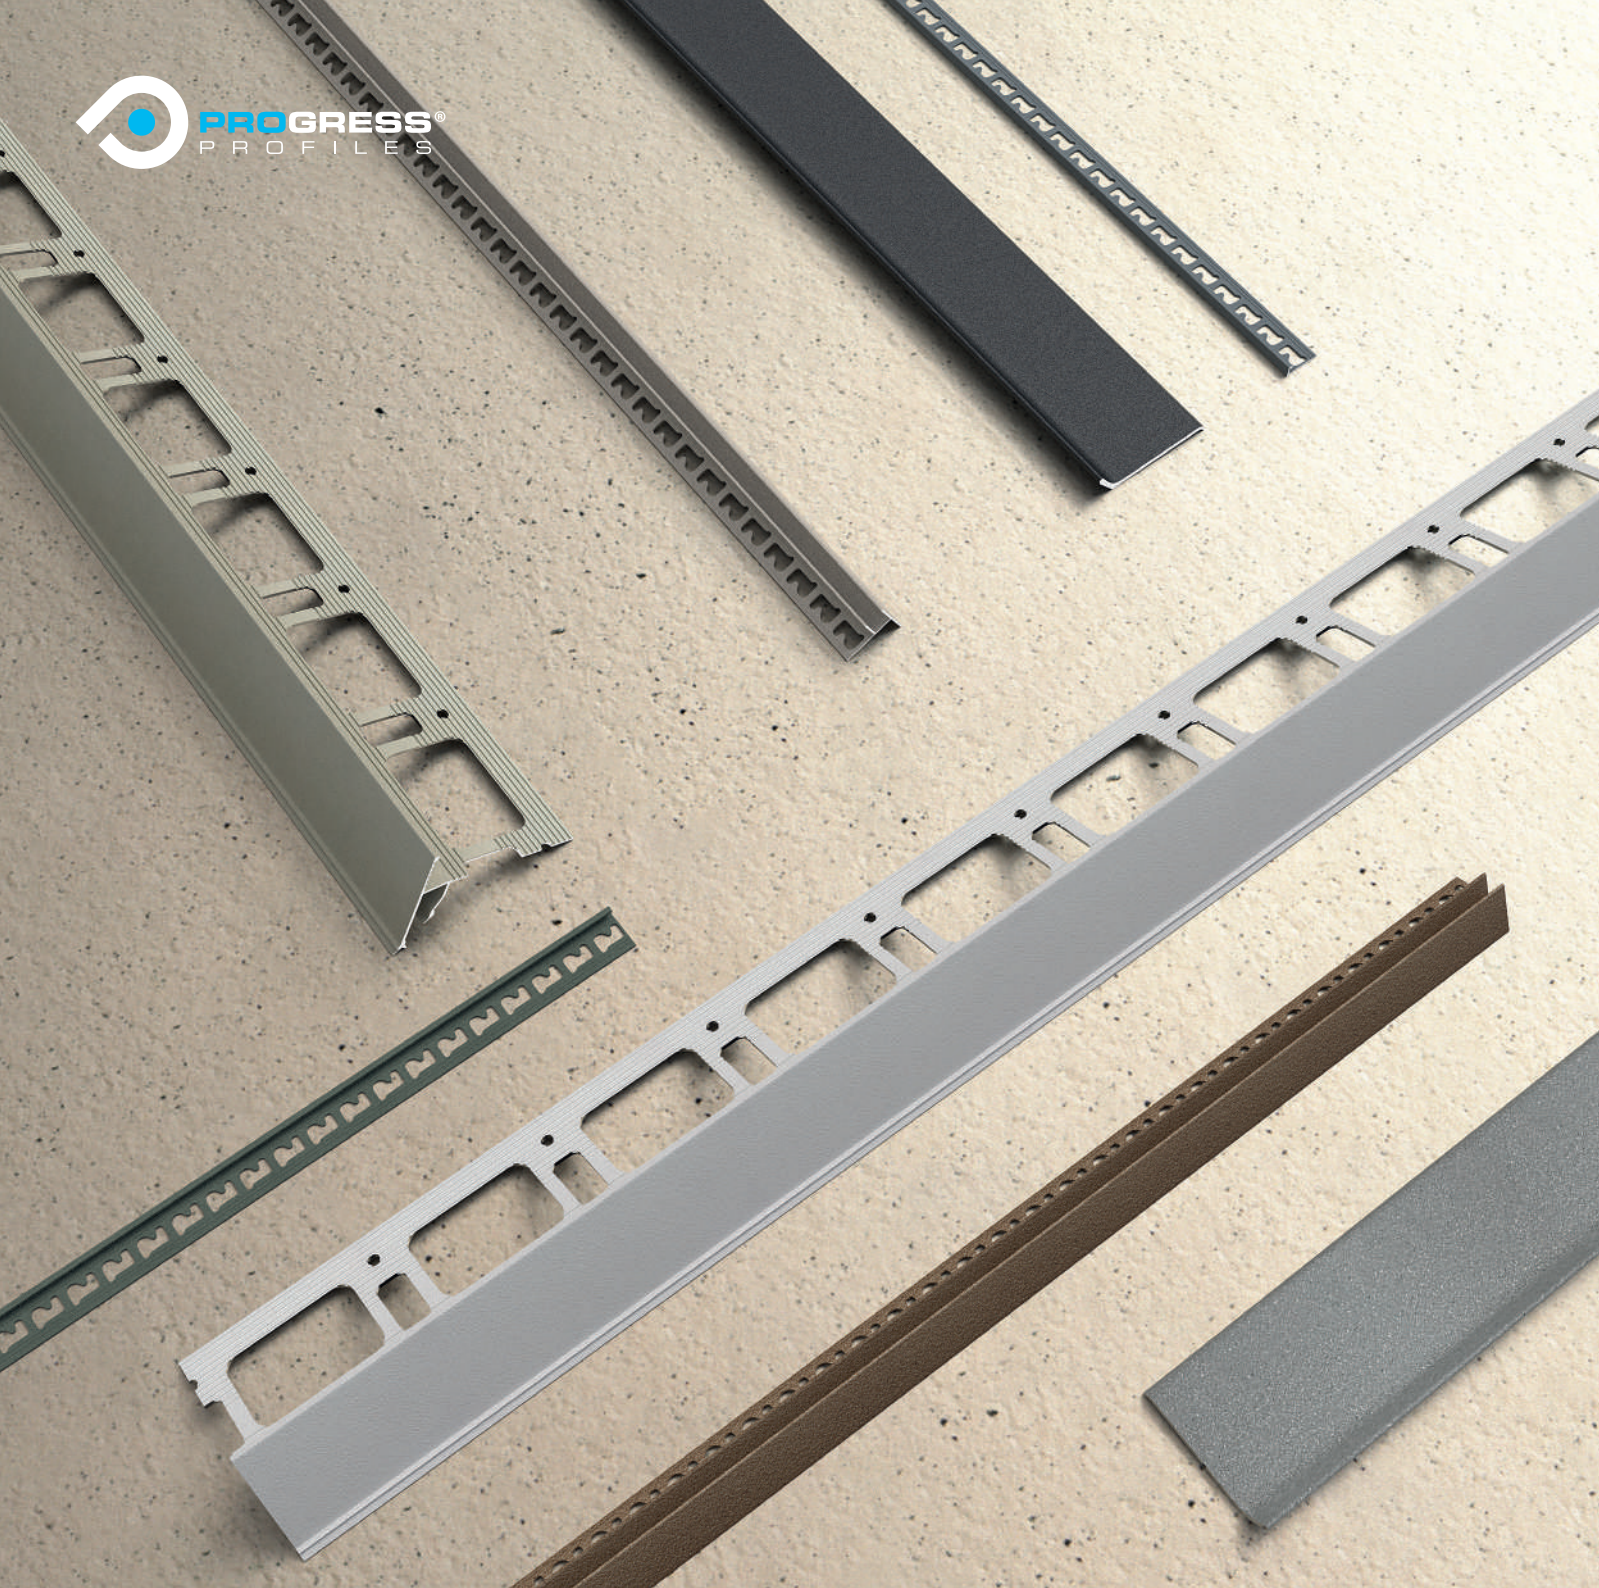

Le tendenze più evolute nel settore ceramico si ispirano a un'armoniosa contaminazione di tradizione e innovazione, organic decor e urban style, con soluzioni che rispondono al desiderio di materiali capaci di evocare emozioni, conferire personalità agli ambienti e raccontare storie.

THE IMPORTANCE OF BEING...COLORFUL

All the shades of contemporary design for ever-changing spaces

The most advanced trends in the ceramic field are inspired by a harmonious contamination of tradition and innovation, organic decor and urban style, with solutions that respond to the desire for materials capable of evoking emotions, conferring personality to environments and telling stories.

KALEIDOS

KALEIDOS, nuovo concept di Progress Profiles, nasce per reinterpretare la vitalità di questo mondo ricco di sfaccettature, nelle più suggestive applicazioni per l'architettura e l'interior design.

KALEIDOS, the new concept of Progress Profiles, was born to reinterpret the vitality of this world rich in facets, in the most suggestive applications for architecture and interior design.

COLORI COLOURS

Texture materiche che richiamano pietra, cemento, legno e metalli si combinano con una palette di colori innovativa, creando finiture per pavimenti e rivestimenti che arricchiscono ogni spazio con nuove sfumature estetiche ed emozionali.

KALEIDOS esprime le potenzialità delle finiture in sintonia con gli stili contemporanei, come Stone Line che enfatizza materiali naturali, colori neutri e una connessione con l'ambiente esterno, in un gioco di combinazioni mutevoli.

Material textures that evoke stone, concrete, wood, and metals combine with an innovative color range, creating finishes for floors and wall coverings that enrich every space with new aesthetic and emotional nuances.

KALEIDOS expresses the potential of finishes in tune with contemporary styles, like Stone Line, which emphasizes natural materials, neutral colors, and a deep connection with the external environment, in a fascinating play of changing combinations.

PROTERMINAL PROJOLLY SQUARE PROJOLLY QUART PROLISTEL P

I profili progettati per proteggere gli angoli esterni dei rivestimenti e per la chiusura perimetrale sono disponibili in forme arrotondate, quadrate o a "L". Offerti in varie finiture Stone Line, sono apprezzati per il design e adatti a ambienti tradizionali e contemporanei. Frutto di ricerca avanzata, combinano praticità e stile, garantendo alte performance e un'estetica in linea con le tendenze del settore. Per una posa perfetta, si può usare PROLISTEL P, un listello decorativo con superficie piatta, ideale per ceramica, mosaico e pietre naturali, disponibile anche in finiture Stone Line.

Profiles designed to protect the external corners of wall coverings and for perimeter closure are available in rounded, square, or "L" shapes. They are made in various Stone Line finishes and appreciated for their design and suitable for traditional and contemporary environments. As result of advanced research, they combine practicality and style, ensuring high performance and aesthetics in line with industry trends. For a perfect installation, PROLISTEL P, a decorative listel with a flat surface, can be used with ceramic tiles, mosaic, and natural stone coverings.

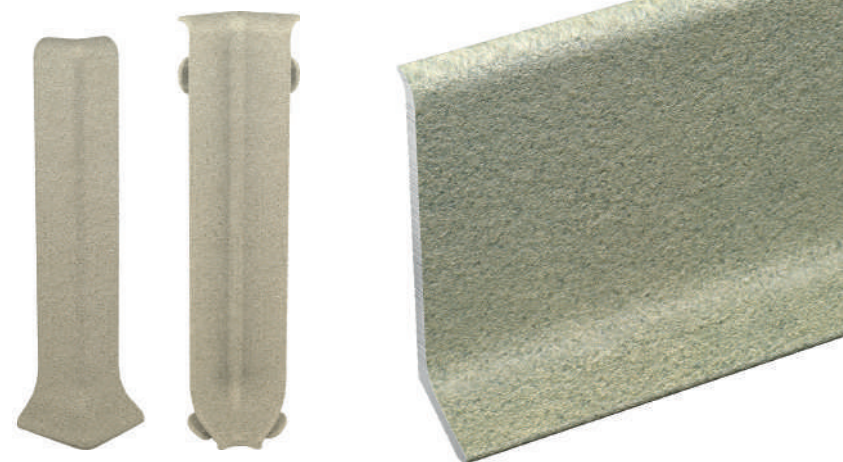

BATTISCOPIA 40/60/80/100

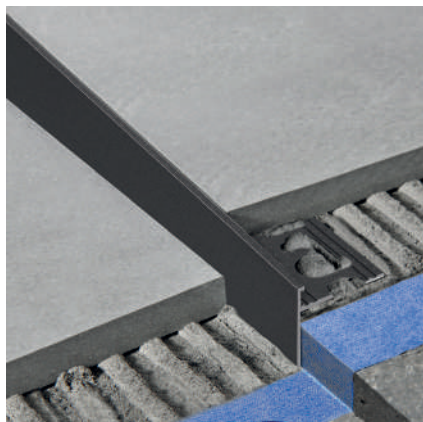

I battiscopa evoluti, in sintonia con le nuove tendenze dell'architettura e i classici dell'arredo, valorizzano spazi abitativi e lavorativi con eleganza, stile e creatività. Le finiture in alluminio anodizzato Stone Line Cream, Sand, Greyvory offrono colori caldi e luminosi adatti a vari mood d'arredo. Disponibili con o senza adesivo, i battiscopa di questa linea sono pratici e veloci da posare grazie ai pezzi speciali copritaglio come angoli interni, esterni, giunzioni e tappi di chiusura in alluminio e plastica.

SKIRTING BASEBOARDS 40/60/80/100

The advanced skirting baseboards, in line with new architectural trends and classic furnishings, enhance living and working spaces with elegance, style, and creativity. The anodized aluminum finishes in Stone Line Cream, Sand, and Greyvory offer warm and bright colors suitable for various decor moods. Available with or without adhesive, the skirting baseboards in this line are practical and quick to install thanks to accessories as inside and outside corners, joints, aluminium and plastic end caps .

PROSHOWER PROFILES & PROSHELF

Innovativi profili in alluminio per l'ambiente bagno coniugano performance elevate e design elegante, proteggendo angoli e bordi delle piastrelle nei box doccia, zone umide e aree soggette a usura. Il design minimalista e raffinato si integra con qualsiasi stile d'arredo bagno grazie alle finiture Stone Line dai colori caldi e naturali. Le mensole in acciaio inox AISI 316, installabili durante o dopo la posa del rivestimento, sono disponibili in varie nuances terra delle finiture Stone Line.

Innovative aluminum profiles for bathroom environments combine high performance and elegant design, protecting the corners and edges of tiles in showers, wet areas, and wear areas. The minimalist and refined design integrates with any bathroom decor style thanks to the Stone Line finishes with warm and natural colors. The AISI 316 stainless steel shelves, to be installed during or after tile laying, are available in various natural shades of the Stone Line finishes.

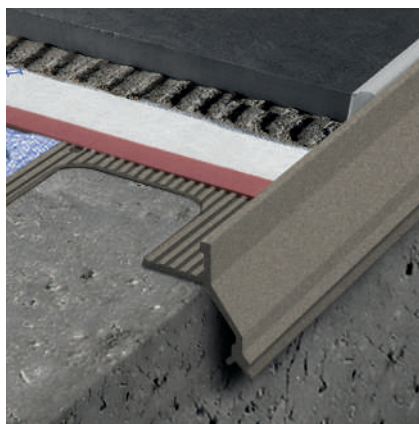

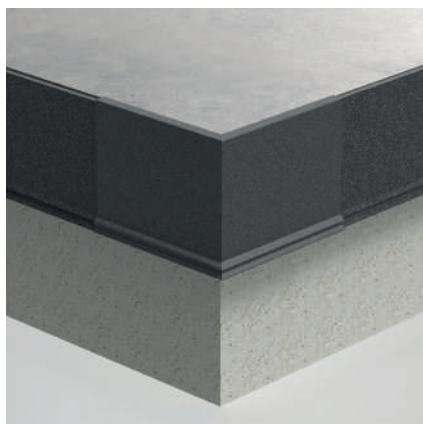

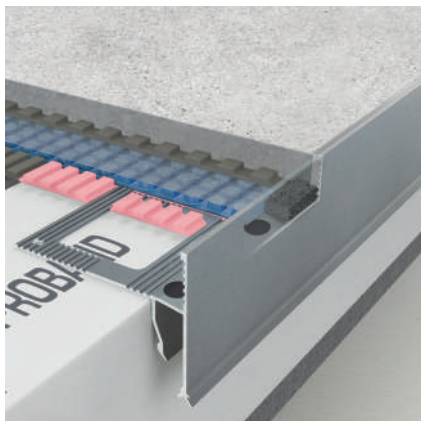

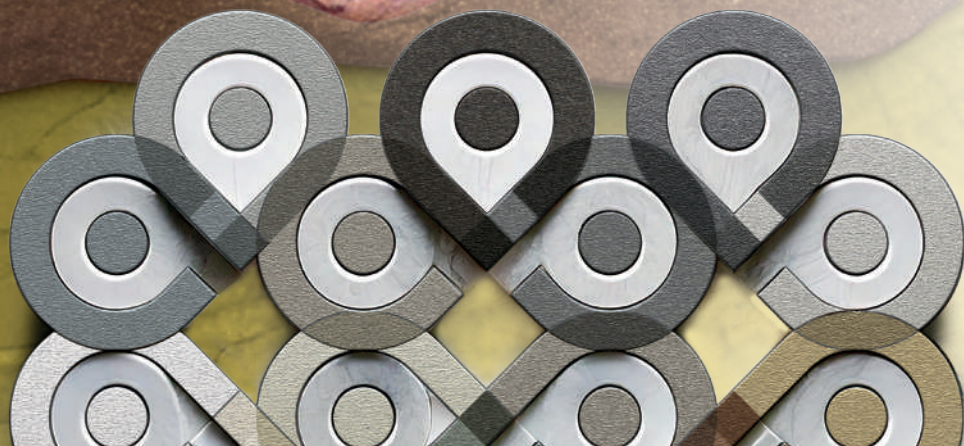

PROTERRACE DOUBLE DRIP & ECO DRIP

Profili perimetrali brevettati in alluminio verniciato, progettati per proteggere i bordi delle piastrelle e garantire il corretto deflusso delle acque su terrazzi, balconi e marciapiedi. Disponibili in un'ampia gamma di finiture Stone Line, offrono un alto grado di personalizzazione con diverse nuances di colore, dal bianco al grigio, dal beige al testa di moro o corten, creando una perfetta continuità con gli interni.

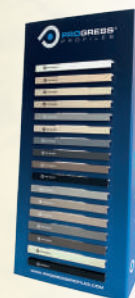

Patented perimeter profiles in painted/varnished aluminum, designed to protect tile edges and ensure proper water drainage on terraces, balconies, and sidewalks. Available in a wide range of Stone Line finishes, they offer a high degree of customization with various color nuances, from white to gray, beige to dark brown or corten, creating perfect continuity with interiors.
